AC-744

Earclip Headset with Microphone

Over the ear, and out of mind, the AC-744 earclip headset provides a lightweight design without sacrificing sound quality. Light as a feather, the AC-744 sits comfortably on either your left or right ear, and the 15mm dynamic driver is ideal for users using Voice Over IP programs. Due to its removable and reversible earclip, the AC-744 is 100% adaptable, and a great choice for any listener.

FEATURES

- In-line volume and mute control feature
